A WEDDING IN PROVENCE

# WELCOME TO OUR HOME

The pale blue shutters and ivy clad walls of Château de Varenne are the perfect backdrop to the most elegant and quintessentially French wedding you could wish for. It's a wonderfully intimate venue in the heart of the Provence countryside, catering to 38 guests and only available as an exclusive hire, for just a few dates each year.

The Château is also our family home and we're passionate about maintaining the fairy tale beauty and romance of the property, while delivering unique personal and welcoming touches that will make you and your guests feel completely at home.

## A UNIQUE WEDDING VENUE FULL OF BEAUTY, ELEGANCE AND CHARM

# YOUR DAY, YOUR WAY IN THE HEART OF PROVENCE

**Rustic furniture, charming fabrics and subtly chosen antiques create an elegant and comfortable atmosphere in the guest spaces of the Grand Salon, the Petit Salon and the Breakfast Room.**

With the house providing a stunning backdrop, it makes sense that your wedding celebrations take place outdoors. If the weather should be unkind, your party will be made welcome inside. Château de Varenne is full of surprises, and unexpectedly you'll find a cave beneath the house which can be used for late night music and dancing.

# THE FRENCH COUNTRY WEDDING OF YOUR DREAMS

While your wedding is of course the centrepiece of your stay with us, you'll find so many opportunities to create memories of Provence. Spend your first afternoon swimming or sunbathing, playing petanque or croquet. Enjoy incredible countryside views and walks, visit a Châteauneuf du Pape vineyard or simply luxuriate in a lavender bath.

You could lose yourself in the beautiful, history filled city of Avignon and buy the freshest of local produce at a traditional French market for a picnic in our breathtaking gardens. Perhaps you'd enjoy a family dinner at one of the many local restaurants or choose to host your own pre-wedding dinner on the Château terrace.

The Château and grounds offer endless potential to personalise your wedding day. From a sun-drenched breakfast in the morning to the glamour of a sunset cocktail party, the beautiful terrace offers a fabulous place for you to celebrate with guests.

# BEGIN YOUR FOREVER RIGHT HERE

Our 13 unique air conditioned guest rooms offer comfort and understated luxury. Each has its individual story and decoration, some with magnificent parquetry, others with thick-pile carpets, wall hangings and fabrics from the most famous houses – Pierre Frey and Nobilis.

For your perfect honeymoon suite, choose between the magnificent views from the central balcony of De Varenne, or the tranquility of Le Marquis where a spiral staircase takes you to a private terrace on top of the house with 360° views.

An historic chapel just behind the estate could be used for your ceremony, or you could choose a secluded spot in the Château gardens. Perfect photograph backdrops are everywhere you look, with breathtaking views of the Rhône Valley and Mont Ventoux.

There's so much to inspire your wedding theme, from the vibrant colours and smells of Provence to the garden foliage and gorgeous interior fabrics.

# EXCLUSIVELY YOURS
