We wanted to thank the entire La Escollera team so so so so so much for our wedding. We cannot put into words how grateful we are for making the day literally perfect!!! Everyone has said it was 100% the best wedding they have ever been to (this has upset some previous brides but they have had to agree!). Not one thing went wrong on the day and I put this down to how unbelievably efficient you were! We are still buzzing!

Ventura Ruiz

Dear everyone at La Escollera, thank you so much for an amazing wedding day, absolutely every detail was perfect, we couldn't have been happier as to how the day went, it was amazing. All of our guests were highly impressed with the setting, the food, the drinks and not least the staff, who were friendly, attentive and professionally. Many of the guests commented that they would be returning to the restaurant in their own time, and I really hope they do.

James & Amy

"Thank you, thank you to the entire team. It really was an Ibiza fairytale and we will never forget the full moon rising from the sea, on the horizon!"

# INTRODUCTION

Situated on the cusp of stunning Es Cavallet Beach in the middle of the Ses Salines Natural Reserve, restaurant La Escollera has been offering both spectacular and intimate weddings for over 25 years, on the shore of the Mediterranean Sea. Enjoying a celebration at La Escollera means sitting back and relax in an ambience in which each and every little detail is taken care of.

*Included in our price, which depends on the amount of guests, we offer:*

- Exclusivity of the restaurant from arrival until the end of the meal. This consists of the first 5 hours of the event. After this the open bar starts, which includes exclusivity of the venue per hour. We close the entire day for preparations.
- At La Escollera, you and your guests have the possibility to continue celebrating until 4h00h in the morning with music outside, depending on the amount of open bar hours you pre-purchase. We can host an event for a maximum of 9 hours.
- ~~We have a professional sound installation with wireless microphones at your disposition, and a technician available throughout the day (please ask us for the list of technical specifications).~~
- Beginning at sunrise, we setup the entire restaurant for you, beautifully decorating it to fit its natural surroundings using coarse salt from the salt flats, stunning lighting (even on the sea), bougainvillea or olive branches, and many candles and lanterns. The place looks like a fairytale! Of course, you are free to add your own decor or replace any of ours.
- There is a valet parking service for you and your guests
- The choice between a buffet and a classic sit-down menu (see below) in which a selection is to be made, with many delicious options.
- A tasting of the menu beforehand for 4 persons in which we also show you different options of decoration. Tastings are scheduled on non-holiday weekdays (normally after 16:00h, depending on the season). We encourage spreading the tasting over 2 days, as it is a lot of food to try! La Escollera is open all year.
- Table service with 1 waiter per 8 or 9 guests. We can seat up to 290 guests.
- A list of great recommendations for external services such as photographers, transport, wedding celebrants, wedding cake bakers, music and entertainment.
